

IN THE JUNE 02, 2020 REPUBLICAN PRIMARY VOTE ANDY MEEHAN FOR CONGRESS!

Mullane: Awaiting deportation, man kills a Bucks County grandmother in hit-and-run

SANCTUARY VICTIMS

“Sanctuary” policies are killing citizens of Pennsylvania District 01. I am disturbed by the untimely & avoidable death of Warrington, PA grandmother SIS DAVIS, killed by an illegal alien drunk driver in 2018 released by “sanctuary” policies in Philadelphia. **I will sponsor & champion THE SANCTUARY VICTIMS ACT:**

- ✓ Municipalities that receive federal funding shall neither enact nor enforce “sanctuary” policies.
- ✓ Municipal officials shall publish accurate, timely reports of compliance with federal regulations of illegal immigration.
- ✓ Municipal officials who refuse to comply with federal regulations regarding illegal immigration shall face prosecution.

Thank you
Andrew Meehan
